SLABS

**Mega Porselano Slabs**

# Mega Porcelain Slabs

New Category in Large Format – 80 x 120 cm. Best in class in terms of Durability, Functionality and Aesthetics. Choicest of Marble, Wood and Rustic stone themes.

Introducing PLAZMA finish that gives high gloss mirror surface, which enhances the high resolution, true to life stone look of the slabs.

Size of 80 x120 cm Slabs also bring the element of nature’s coordinated randomness where one Slab is not the exact replica of the other. This variation adds value to the charm and choice.

Size does matter, and so is the proportion of dimensions. Bigger size Slabs reduce the number of joints and creates seamless, monolithic surface.

MPS surfaces are bestowed with Johnson Stain Free property ensuring minimum maintenance and enhanced hygiene.

Colors shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without prior notice. Sometimes, variations in shade or size may occur which is inherent to the ceramic industry. Before fixing the tiles, we urge you to read and follow the fixing instructions given on the carton box of the tiles. The company will not take any responsibility and will not accept any complaints of shade, size or planarity once the tiles have been fixed.

Although every effort is made to ascertain that all the information provided in this brochure is accurate before printing, errors may still happen. Please contact the local branch office for updated information before placing orders. The information contained in this catalog is given in good faith. The Company takes no liability on account of any loss or damage either consequential or otherwise as a result of the information provided therein.
