KUMARANALLOOR | THIRUVANCHOOR | ATHIRAMPUZHA

- 155 years of tradition & trustworthiness in business
- Leadership that built-in tradition, quality and customer satisfaction.
- Dealership in all major Indian and International brands.
- No.1 dealer of all major Indian brands
- Major client chain across the country
- Largest stock point
- Wide variety of colours, sizes, shapes & new textures
- The affordable price spot in Kerala
- Products manufactured in the most modern high-tech factories with state-of-the-art technology
- Adhering to all technical standards such as International (ISO) European (EN) and Indian (ITSO)

We are the leading suppliers in the field of ceramic wares nationally and internationally. Here, we have a wide range of ceramic ware mainly ceramic and polished vitrified tiles for floors and walls, interior or exterior, pavement tiles, sanitary ware, shower rooms etc.

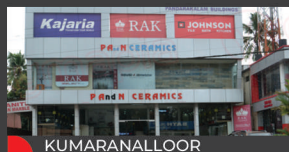

We supply all major brands in India imported directly from international manufacturers of repute. The products are made using 'state-of-the-art' manufacturing equipment and expertise gained from over decades of experience, in line with fashion trends and ecological guidelines for an enormous range of technical and aesthetic offers.

Ceramic / vitrified tiles are perfect for flooring walls, countertops, backsplashes, foyers, fireplaces, and pools and also have a selection of styles for bathroom accents. Aesthetics, strength & resistance with a blend of technology and design skills, all enclosed in the square centimeters of your artful construction
